

LEARNING BY THE LAKE: WHAT'S IN YOUR WATERSHED?

**THURSDAY,
OCTOBER 16TH**
9AM - 4PM

COST: FREE
Lunch and 6 OPI
credits provided

WHERE?
Flathead Lake
Biological Station

- What are some potential **pollutants** entering our waterways?
- What is a **rain garden** and how does it prevent pollution?
- How can we connect **actions on land** to what goes in the water?
- What **classroom resources** are available to incorporate hands on, place-based activities about watershed pollution?

FOR 4TH - 12TH GRADE TEACHERS
